

School Relations Course Starting Here March 9th

Seek Better Understanding Of Mutual Problems In Education

Members of the faculty of the elementary and high schools of the Tahoe-Truckee Unified School District met with representatives of Sacramento State College and the Placer County schools office at the Truckee Elementary School Friday evening for the purpose of planning for a course in community and school relations. The date for the first meeting of the course will be Friday, March 9, and Saturday, March 10. The class will convene at 9 a.m. Friday, Superintendent E. V. O'Rourke announced.

Each service club, Parents and Teachers organization and women's club and community club in the Tahoe-Truckee Unified School District will be invited to select one or more parents to participate in the meetings. Other interested parents are also invited to attend. The main purpose of the class will be to arrive at understandings concerning the position of the school and the community in relation to one another in forwarding the education and training of children and youth, O'Rourke said, and it is hoped that both teachers and parents will present problems for solution.

Those present at the meeting Friday were Dr. Theodore Britton, Sacramento State College, who will be the director of the course; Dr. Harold Roberts, Sacramento State College, director of extension courses; Frank Burke, assistant superintendent in charge of curriculum, Placer County schools; Thelma Finger, chairman of the faculty planning group; Virginia Angelo, Arthur Eve, Betty Miescke, Irene Oetjen, Blanche Gage, Lynn Kishbaugh, Olla Tiffie, William Carico, William Quinn, Charles Chubb, Katherine Wing, W. C. Gage and O'Rourke.

Linner was prepared and served by Mrs. Muriel Frey and Mrs. Arthur Eve.

STATE IS ASKED TO TAKE OVER LAKE SHORT-CUT

Placer County's supervisors are drawing a resolution requesting the state to put County Road 161, known as the Brockway-Truckee shortcut, and County Road 88, known as the Auburn-Forest Hill timber access road, into the state road system.

The Truckee shortcut was the only east-west road open during flood and storm conditions last fall when U. S. 40 on Donner Summit and along Truckee River was completely closed. It was damaged due to the storm and excessive use by heavy equipment.

The Forest Hill road also was damaged by severe rain storms and use of heavy lumber trucks.

Copies of the resolution were ordered sent to State Senator Harold Johnson, Assemblyman Francis Lindsay and the state department of public works.

Public Speech Class To Continue Sessions

The adult education class in public speaking ends its term tonight with an informal get-together at the high school where class members and their wives or husbands will enjoy refreshments served by Mrs. Jerry Lewis and Mrs. Dave Rose.

Although the term ends, Mrs. Lewis announced this week that the group will continue to hold sessions at various members' homes twice monthly to continue studies on the subject. Anyone interested is urged to contact Mrs. Lewis or Mrs. Rose and the first meeting of this kind will be held at the Lewis home March 8 at 7:30 p.m.

Summit Area Aides For Red Cross Drive

The annual drive for funds of the Auburn chapter, American Red Cross, will be launched next Thursday, March 1. The goal this year is set at \$11,787.

Mrs. Arta Flood, chapter chairman, announced the appointment of the following chairmen in the Donner Summit area served by the chapter:

Soda Springs, William Rutherford and Tony Donadio; Norden, Jergen P. Vind; Emigrant Gap, E. E. Widling; Big Bend, Mrs. Glen Parsons.

Oates in Valley

Harvey Oates, former Truckee man, writes that he has sold his interest in the Echo Summit vicinity and is now a valley resident.

Traffic Here Is Over Normal As Count Is Made

Truckee, the chief transcontinental point for vehicles entering northern California, had 13,831 automobiles checked at its quarantine station during January, the state department of agriculture reports. There were also 2,534 trucks, 500 stages and a total of 46,446 passengers, the report says.

The figure represents a decline of nearly 8,000 vehicles from the December figure but is still 20 per cent over normal for the year.

Three other border stations, Blythe, Fort Yuma and Yermo, exceeded the Truckee figure.

Stateline on Highway 50 reported 1,528 cars, 94 trucks and 10 stages for the month of January, with a total of 4,071 passengers.

J. J. PASINETTI LAID TO REST IN CHICO RITE

CHICO—Joseph John Pasinetti, 35, a veteran of the Pacific Theater in World War II, died Saturday night in the Veterans Hospital in Oakland.

Pasinetti, born in Truckee where he was well known and spent many of his younger years, lived in Ukiah and Paradise before coming to Chico three years ago.

He leaves his wife, Anna, and children, Joanne and Judith, all of Chico; mother, Mrs. M. Fox, of Ukiah; brother, Peter, Menlo Park; and sisters, Mesdames Besie Knies of Carnation, Wash., and Rosie Robinson of Lakeport.

Funeral services are being held at 3 p.m. Thursday under the direction of Table Mountain Lodge of Masons.

BUSY WEEKEND IS SCHEDULED FOR HOOPSTERS

Truckee's American Legion basketball team has a rugged schedule lined up here for this weekend, offering local fans games on both Saturday and Sunday.

Saturday evening, the home towners take on a Martinez team and on Sunday afternoon at 2:30 will attempt to even the score with Capucci-Weaver of Fallon.

The latter team downed Truckee 56 to 46 last Thursday at Fallon. In two other games during the past week, Truckee edged Sierra Sports of Reno 53 to 50 Saturday night and trounced Whittlesse Taxi of Reno 58 to 41 Monday night. These games brought the season record to 12 wins and 5 losses, for an average of .706.

William Bailey Passes In South State City

A brief message from San Diego reports the death there of William Bailey, about 72, a long time resident of Truckee. Several years ago Bailey left here where he was employed by a number of local cafes and went to San Diego where he has resided since. So far as can be learned, he leaves no immediate relatives.

Korean War Movies Are Shown at Legion

"Forty Days in Korea" was the title of a movie shown by Heslin Cardinal at Tuesday night's meeting of Truckee Post 439, American Legion. The official defense department film depicted the battle action at the opening of the Korean war vividly.

The showing followed a business meeting during which the post's sports and youth programs were the centers of discussion. Commander H. L. Owens presided and refreshments were served by Chaplain John Rau.

Man Breaks Back In Toboggan Accident

Arthur Norstrom, San Francisco, suffered a broken back in a toboggan accident on Donner Summit Saturday and was taken to Reno by the Truckee ambulance. His condition was reported as critical.

Leroy Tong Dies In Hospital After Lengthy Illness

Final Services Conducted On Monday Morning For Native

Not unexpected, but saddening, was the death of Leroy Tong, 35, native and life-long resident of Truckee, who expired at a Nevada City hospital on Saturday morning at 1 o'clock following a protracted illness.

Mass was read at the Truckee Catholic Church by Father P. O'Neill at 10 o'clock Monday morning with interment following in the Truckee cemetery. Rosary was held at the Truckee Colonial Mortuary Sunday evening at 8:30.

Tong was a native of Truckee, born May 22, 1915. With the exception of 12 years spent at the California School for the Blind at Berkeley, he resided here all his life and was widely and favorably known. A year ago he was taken ill and despite operations and all known medical applications, his condition continued to grow worse and last month he was taken to Nevada City for hospitalization.

Pall bearers were Victor Salvaterra, Albert Gralli, Dr. C. C. Cozzallo, Fosten Wilson, E. A. Parker and A. Ghirard.

Surviving are his mother, Mrs. Columbia Tong, and a brother, Wilmer, of Oakland. A sister, Mrs. Florence Whitten, died last fall following a brief illness.

GATES CLOSED, TROUT DIE IN TRUCKEE RIVER

TAHOE CITY—A large number of trout have died as the result of the gates at Lake Tahoe being closed, shutting off water from the Truckee River this week.

Residents of the area were irked to find many of the large fish as well as hundreds of smaller ones dead along the dry bed of the river below Lake Tahoe.

The loss in fish was greater because of the sudden stopping of the flow. Last week approximately 600 CSF were released and the week previous nearly 1300 feet were permitted in the stream.

The lake this week stood at 6227.84. There were 15 inches of snow on the ground at Tahoe City and the precipitation for the week was 1.60 inches. The high temperature of the week was 45 and the low 13.

Barber Joe Leaving; St. Louis to Expand

Joseph Spencer, known here as Barber Joe, is closing his shop at the St. Louis Cafe and is leaving this week for Sacramento.

The barber shop portion of the building will be removed and the space converted into additional floor room for the St. Louis, operated by George Carter. The building is owned by the Cozzallo family and the barber shop was operated for many years by the late Roy A. Feathers before it was leased two years ago by Spencer.

Luca Sassarini Hurt By Backing Vehicle

Luca Sassarini, widely known Truckee resident, suffered injuries to his right leg Wednesday evening when he was struck by a car driven by Mrs. Eugene Iardi in front of Rasco. Mrs. Iardi was backing from the curb and did not see Sassarini, who was standing directly behind her car. He was treated by Dr. L. D. Nelson and removed to his home.

State Patrolman William Gautsche investigated and held Mrs. Iardi blameless in the mishap.

Other City Delegations Will Attend C.C. Meet

The Truckee Chamber of Commerce hold their next meeting tonight at 7:30 in the fire house. Delegations from the Grass Valley and Sparks chambers will attend this meeting.

Sun Beams

Since 1927, the Truckee Public Utility District has operated as one of the community's most valued assets. During those 24 years it has provided utilities at comparably low rates and has rendered a fine service in nearly every phase of the community's life, supporting various local projects, coming to the aid of other districts when the need demanded and maintaining pace with the area's growth. As the community developed, so developed the TPUD at no increase in costs, and lowered rates when possible. This, we contend, is a splendid record. However, the community served by the district is fast enlarging and the need for increased facilities, both for water and electricity, are in demand, and there seems little likelihood that this expansion can be accomplished without more funds than are available from current revenues, so the possibility of a bond issue arises. This method of raising the required money has many advantages over an alternate tax issue, since the retirement of bonds can be spread over a long period, providing ample cash immediately to do the necessary work and making the charges against those who will benefit in the years to come, instead of penalizing present property owners, now carrying a heavy tax load. Payment of bonds could be accomplished over a period of 40 or 50 years; taxes must be paid at once. Unless tax bills were high, the amount gained would be insufficient to provide the work needed immediately, whereas bond money would be made available for the projects planned and bonds retired without hardship upon the district or individual. Directors are faced with one or the other method and we have confidence in their ability to follow the most applicable course.

The complaint states Jacobs was involved in a collision with a truck, driven by Olano. Mrs. Jacobs asks \$450,000 damages for her husband's death and \$2,487.34 for expenses incurred. Hermie Jacobs asks \$100,000 damages.

Suit for \$31,360.25 against the Pacific Greyhound Lines and one of its drivers, Walter C. Brill, has been filed in Nevada County superior court by Mrs. Carrie Whitcomb of the San Francisco bay area.

The suit alleges that Brill was careless and negligent the night of May 17, 1950, while driving a bus westward two miles west of Truckee. As a result, it is charged, the left front tire blew, the bus ran off the road, down an eight-foot bank and into a field and Mrs. Whitcomb, a passenger, suffered multiple injuries, including a forehead cut that required seventeen stitches.

The injuries kept her in hospital until May 31, she asserts, and it was not until October 7 that she was able to return to work.

CHURCH BENEFIT DINNER SLATED HERE MARCH 17

A dinner for the benefit of the Community Methodist Church will be held at Capitol Hall on March 17, according to an announcement made by Johnny Ciardella at Monday night's session of the Truckee Rotary Club.

Mr. and Mrs. Ciardella are donating the use of the hall, preparation and serving of the meal. The main course will be corned beef and cabbage, it was announced.

Speakers on the program were Earl Stice and Reg Smart, whose topic was "Your Chamber of Commerce." Stice, a past president of the chamber, spoke on the background and past accomplishments of the organization. Smart, current president, discussed present and future projects and aims of the chamber.

In the absence of President Jim Sherritt, T. T. Buell presided. Fred Morris was program chairman.

R. N. Little Is Made Honorary Bar Member

Frank G. Finnegan, Nevada City attorney, was elected chairman of the Nevada-Sierra Bar Association at a dinner meeting in Grass Valley. He succeeds District Attorney Vernon Stoll. John Larue is vice chairman and Robert Schiffer, secretary.

Speakers were Superior Judge James Snell; George Gildersleeve, peace justice of Nevada City; Fosten Wilson, peace justice of Meadow Lake Township, Truckee; and R. N. Little, former peace justice at Truckee, who was given an honorary life membership in the association.

Three R Study Meet Moved Up to Monday

The Three R study group will not be able to meet tomorrow night as scheduled, due to conflict with a teachers' meeting, according to Mrs. David Rose. The group will meet instead at 8 o'clock Monday evening at the Truckee Elementary School.

Mr. and Mrs. William Englehart Sr. and Mr. and Mrs. Maurice Franzini are Sacramento visitors this week.

Suits Filed For Large Sums As Accident Results

Half Million Dollars Being Sought in Action For Death

AUBURN—Damages in excess of half a million dollars were asked in a suit filed by Kate G. Jacobs and her daughter, Hermie Jacobs, in the Placer County superior court against Melvin Thornton, doing business as Thornton's Garage, and Charles Olano, both of Truckee.

The suit is over the death of Herman C. Jacobs, husband and father respectively of the defendants, in an auto crash which occurred near Cisco last January 10.

The complaint states Jacobs was involved in a collision with a truck, driven by Olano.

Mrs. Jacobs asks \$450,000 damages for her husband's death and \$2,487.34 for expenses incurred. Hermie Jacobs asks \$100,000 damages.

Suit for \$31,360.25 against the Pacific Greyhound Lines and one of its drivers, Walter C. Brill, has been filed in Nevada County superior court by Mrs. Carrie Whitcomb of the San Francisco bay area.

The suit alleges that Brill was careless and negligent the night of May 17, 1950, while driving a bus westward two miles west of Truckee. As a result, it is charged, the left front tire blew, the bus ran off the road, down an eight-foot bank and into a field and Mrs. Whitcomb, a passenger, suffered multiple injuries, including a forehead cut that required seventeen stitches.

The injuries kept her in hospital until May 31, she asserts, and it was not until October 7 that she was able to return to work.

NEVADA CITY—A damage suit for \$28,960 against Jeff Davis Henderson was filed in the superior court by Mrs. Jessie Prohorowich as the result of an automobile accident last July 3 near Truckee.

Mrs. Prohorowich charges she was injured in a collision involving cars driven by her husband, Peter Prohorowich, and Henderson.

General damages of \$28,500 and special damages of \$460 are asked.

PACK DWINDLES HERE IN SPITE OF WEEK'S STORMS

Light flurries this past week laid down 13 inches of new snow here and made chains mandatory over Donner Summit but with small water content and rapid settling, the pack at Truckee was reduced to 10 inches according to the U. S. Forest Service.

Precipitation this week was .81 of an inch, bringing February's total to date to 3.20. With the normal for the month 5.29, this is still 2.09 inches under normal for the month. However, 35.20 inches already this season compared to the 27.38 normal leaves 7.82 over normal.

The temperature here this week ranged from a low of six degrees to a high of 46.

Attorneys Are Named For Trio of Accused

Because they could not afford lawyers, Judge James Snell appointed attorneys for five men appearing before him in Nevada County Superior Court.

Attorneys Lynne Kelly and Crofford Bridges of Grass Valley were appointed to represent Harold D. Sullivan, 31; Ramie L. Sullivan, 23; and Harold D. Ingram, 19, all of the east bay region, who are accused of robbing Mrs. Martinez Morales of Boca after inviting her into their car for a lift. This case will come up again on March 2 at 10 a.m.

Roy Kendricks Cited For Action In Korean War

Sgt. Roy Kendricks, son of Mrs. Della Burlingham of Truckee and former local boy, was recently awarded the Bronze Star Medal in Korea.

The citation said, "By constant personal supervision, outstanding ability and attention to duty during all phases of operations, he provided his company with motor transportation and maintenance, regardless of combat conditions and supply difficulties. His efficiency and tireless energy were a major factor in the ultimate success of his unit in accomplishing all missions."

Kendricks was promoted on December 20 to sergeant in the infantry after several months in the Korean fighting. His wife and three children make their home in Tacoma, Wash.

FORMER RESIDENT DIES ON SUNDAY AT SPARKS HOME

Angelo Angelini, 67, died Sunday at his home in Sparks. A native of Lucca, Italy, he was born February 25, 1883. Angelini was a retired laborer for the Southern Pacific Company. Before retiring, he lived with his family at Truckee and Floriston.

Funeral services were held on Wednesday, followed by requiem mass at Immaculate Conception Church and interment in Mater Dolorosa cemetery.

Survivors include his widow, Mrs. Paolini Angelini; daughters, Mrs. Mary Ceccarelli of Sparks, Mrs. Olga Gini and Mrs. Laura Lachman, both of Reno; grandchildren Lelan Ceccarelli, Sparks, Arlene Gini and Vickie Lachman, Reno; a brother, Carlo Angelini, South San Francisco, and two sisters, Mrs. Asuntina Menicucci and Aurelia Angelini, both of Italy.

JEEP FLIES OFF DONNER GRADE, DRIVER ALIVE

Vernon E. Gilmer, 26, employed at Soda Springs as a cook, narrowly escaped death Friday morning at 1:15 o'clock when a Jeep he was driving nose-dived off Donner grade and went through the air a distance of 125 feet before crashing. Gilmer was thrown through the windshield, suffering a broken arm and other lesser hurts.

Patrolman William Gautsche said an investigation is being made since he was advised that the vehicle was taken without the owner's permission. Gilmer was taken to the county hospital by Truckee ambulance, where his condition is improving.

Area's Youth to Enter North State Spelling Bee

The elementary schools of the Tahoe-Truckee Unified School District will participate in the 1951 Central Valleys Spelling Bee sponsored by the Sacramento Bee. Superintendent Everett V. O'Rourke has announced. Winners will be determined by March 13 and the county-wide contest will be held at Roseville March 31 at 10 a.m.

Winners will receive a \$600 college scholarship in addition to a gold watch and suitable awards have been selected for runners up.

Cal-Neva Lodge Closes Until Summer Season

Douglas Ross announced this week that Cal-Neva Lodge at Lake Tahoe closed on February 18, to be open as usual for the summer season. The reopening of the popular resort will be in the middle of May, the date to be announced later.

Ross said that due to the fact that the winter has been a light and varied one, it did not warrant keeping the lodge open beyond this time.

Tahoe Ski Meet Will Be Held At Lake March 17th

Set 2-Day Junior Events; Sending Skiers To Other Meets

TAHOE CITY—Directors of the Lake Tahoe Ski Club at a special meeting Friday night in Tahoe Community hall set the dates of the sanctioned junior meet on March 17 and 18. Jumping and cross country events will be held the 17th and downhill and slalom the following day. Girls events will include downhill and slalom.

All contestants must enter all events in the boys' division, with those not yet 15 years of age eligible to compete. Applications are being received from all over the state and a long entry list is anticipated. A registration fee of \$1.50 is required.

Also to be held at the beginning of the meet is the novice jumping event, the winner to be awarded the James Baker trophy, donated to this group to small to enter regular events, over the past four years by Mrs. Eleanor Swanson.

Selected by the directors Friday were the contestants who will be sent to other meets throughout the country. Bob Stark and Jim Baker will be sent to Yosemite for the FWSA Class B downhill and slalom championships February 24, 25; Einar Wethal, who will be sent by plane to Rumford, Maine, for Olympic team cross country try outs March 3 and 4; Lewis Fellows, who will go to the national junior ski championship jumping event at Steamboat Springs, Colorado, February 24 and 25.

A deer conservation picture was shown at the conclusion of the ski club meeting, with Mr. and Mrs. Dick Carnell refreshments hosts.

A directors meeting was held at the Floyd Carnell home last Thursday night attended by Mr. and Mrs. Wes Donaldson, Mr. and Mrs. Carnell, Dick Carnell, Ray Fellows, Mrs. Max Porter, Art Frodenberg, James Baker and Bill Jenkinson. More than \$300 was realized from the club's two-day meet at Olympic Hill, ten per cent of which will go to the March of Dimes. Coffee and cake were served at the end of the meeting.

FLORISTON SPAN TO BE TOPIC OF SPECIAL MEETING

H. G. Loehr, chairman of the Nevada County Board of Supervisors, has called a special meeting of the board and other interested persons for February 28 at 10 a.m. in the supervisors' chambers at Nevada City for the purpose of discussing repair or replacement of the Floriston bridge.

State representatives, Sierra Pacific and Southern Pacific officials as well as anyone interested in the problem have been asked to attend.

The recent flooding of the Truckee River so damaged the bridge that it is no longer useable and the foot bridge, owned by the Sierra Pacific, is said to be unsafe, leaving the residents of the community more or less isolated with the exception of trains which do not have convenient schedules for taking the Floriston residents to and from places of employment.

Loehr said the project has become a major problem and the meeting is being held for the purpose of arriving at a solution.

Eagles Auxiliary Plans Meeting Next Thursday

There will be a meeting of the charter applicants of the Eagles Auxiliary Thursday night, March 1, at 7:00 p.m. in the IOOF hall to make final arrangements for institution, which will be on Sunday, March 4, at 2 p.m. Following the meeting of the Eagles, there will be string music by several of the Eagles, as well as refreshments.

Buells Mark Anniversary At Party on Wednesday

Mr. and Mrs. T. T. Buell entertained 25 guests with a dinner and card party on Wednesday evening on the occasion of their 29th wedding anniversary.

The Buells were surprised with a gift for their home by their friends in honor of the event.

his acquisition of the establish-
ment. Recently we walked in and
found a new owner behind the
desk at this oldest of California
ski resorts. Brant and Doris
Chaplin are now the possessors of
two mountain resorts—Rainbow
Tavern and Soda Springs Hotel.
"Our plans are for a complete
close down after snow season so
we can dig in and remodel," says
Doris. We won't be able to await
the super-duper grand reopening.
Joaquin Garay, famed San
Francisco entertainer, and his fam-
ily were guests at the hotel
with Joaquin singing for a few

We found that Lincoln's Birth-
day weekend was tops for the
season on this mountain with the
Soda Springs Ski Corp. proclaim-
ing they had reached a new
high. Several busses came to the
area; four carrying youngsters
from St. Vincent's High School
in Vallejo. Even trucks were
commandeered for the weekend,
packed with youngsters who came
to ski. Not a spare bed to be
found. Those who "didn't believe
it" found themselves sleeping in
cars for there are those who still
think they can find a bed some-
place without reservation.

The Soda Springs Ski Club
nears its embryonic stage and is
ready to tie into its program
which is, first of all, "encourage
and promote junior racing." The
club is formed in an area where
school children take skiing les-
sons once a week as part of their
curriculum. Under Bud Zorich's
capable teaching these young-
sters learn control and as a re-
sult lose the detriment of fear.
Free use of tows and free direc-
tion are given by Soda Springs
Ski Corp. and Zorich. The whole
area awaits the arrival of the
snowflake arm patch for mem-
bers of the club for those who
wear it know that the proceeds
of the club's treasury is for the
training of their children.

ELECTRICAL TIPS FOR THE HOME

If You Are Bothered by Frequent Blowing of Fuses . . .

DON'T court danger by using
pennies or over-size fuses to pre-
vent interruption of the current.
When a fuse blows, it's your
warning that something definitely
is wrong.

DO check to determine the cause.
The trouble may be a faulty cord,
more likely it's an overloaded
circuit. If so, you'll need another
circuit to make your wiring as
efficient as your appliances.

SUPPLEMENTAL PROCEEDINGS OF THE BOARD SUPERVISORS FOR THE MONTH OF FEBRUARY, 1951.

February 9th, 1951.

The meeting of the Board convened at 10 o'clock A.M. pursuant to adjournment. The meeting was called to order by Chairman Henry G. Loehr, and upon roll call Supervisor Frank J. Rowe was noted absent on account of official business. The minutes of the meeting of February 1, 1951, were read by the Clerk and ordered adopted as read.

The Board considered a petition for the appointment of three directors of the Nevada County Soil Conservation District under the provisions of Section 9203.5 of the Public Resources Code. The following three men were appointed directors for the term as prescribed by law: Ernest L. Bierwagen, Roger Barrow, and Gordon H. True. The Clerk was instructed to issue certificates of appointment.

Mr. Stanley Halls and Mr. Robert Tamblin, insurance brokers of record for the County presented Mr. Joel Geddes, O. H. Spear and Frank Weaver to the Board. The matter of increased liability insurance was discussed at length with the Board. Also the fire insurance situation was discussed. On motion duly made, seconded and carried, it is ordered that Mr. Halls and Mr. Tamblin make a fire insurance survey and present it to the Board on or before May 1, 1951. On motion duly made, seconded and carried, it is ordered that the road liability insurance be increased to read coverage of \$100,000-\$300,000 with \$25,000.00 property damage, and that the malpractice coverage at the County Hospital remain the same.

A letter was received and filed from Ronald Fraser in which he was seeking the appointment as Civilian Defense Coordinator. The letter was filed.

Nothing further to come before the meeting, adjournment was taken sine die. R. E. DEEBLE County Clerk and Clerk of the Board of Supervisors.

Half Way Fresno is almost equidistant between Los Angeles and San Francisco.

Further attention was given to civil defense organization in Nevada County. Sheriff Wayne Brown and John T. Trauner were present with the Board. The Clerk read to the Board the proposed county ordinance relating to civil defense and disasters. The ordinance was turned over to District Attorney Vernon Stoll for study and for a report on March 1, 1951. The matter of the final organization of the Civil Defense Council will be completed at the next meeting of the Board.

The Board ordered the taxes of the F. J. Cepollina property, recently purchased by the County, cancelled.

A letter was read to the Board from William G. Ullrich, Secretary of the Chicago Park Rural Telephone Company, offering the full cooperation of the facilities of the said telephone company to the cause of national defense during any emergency. The letter was ordered filed for future reference.

A letter was read to the Board from Dr. Vernon W. Padgett, County Health Officer, in which he recommended the addition of a full-time sanitarian to the County Health Department. The letter was ordered filed at this time.

A letter was received and filed from Ronald Fraser in which he was seeking the appointment as Civilian Defense Coordinator. The letter was filed.

Nothing further to come before the meeting, adjournment was taken sine die. R. E. DEEBLE County Clerk and Clerk of the Board of Supervisors.

SWANEE'S TAHOE LETTER

Lake Tahoe, Feb. 18

Dear Tahoeites:

It's Sunday again and snow fell today. While highways were dampened, road conditions remain good.

Visited today with Stan Martin's mother, Mrs. Alice Martin, and her sister, Mrs. May Forsythe, in Reno. Misfortune had again visited the family with the death on Thursday last at the Reno Veterans' Hospital of their brother, Joseph Farrell, 53. He had been in poor health for more than a year. Funeral services were held on Monday with interment in Mountain View Cemetery.

Mrs. Vera Frazier of Lake Forest tells me their son Jimmie has completely recuperated from his recent operation in the Sawtelle Veterans' Hospital where he was a patient for three weeks. He underwent a general overhauling and had shrapnel removed from his body. He is now working for Douglas Aircraft near Los Angeles and was pleased when out of 52 applicants he was chosen for his present job, where he has already received four advances in pay. Little Frazier is attending public school where she is in grade 1A. The Ray Fraziers spent last weekend at their ranch in Volcanville.

Mrs. Henry Droste writes from LaJolla that she will soon be on her way to Lake Tahoe to open the Tahoe Realty office near Tahoe City for the summer. She announces she will be associated with a licensed real estate and insurance broker who is replacing

Robert E. Shields, no longer with Tahoe Realty.

Rie Henry informs me that her husband Joe is getting around quite nicely in his new cast which the doctors have ordered him to wear. They found he had been suffering from the effects of crushed first and second lumbar vertebrae which they suspect he sustained in 1936 when he was thrown from a toboggan and heard his back "pop". I welcomed him home a few days after he returned from San Francisco and he declares that except for the discomfort of his new corset and the fact he cannot eat as much as usual, he feels fine. The cast will be replaced every so often for some time.

Looked in on Tahoe Community Center where a carpenter has repaired the damage done by fire. The out-of-town skiers billeted in the hall were all non-smokers so the fire was not, as first suspected, started from a cigarette left behind. Seems the window near the oil heater was left open and the wind whipped the curtain around the chimney of the stove. Result: fire. Mr. Weatherhead, brother-in-law of Mrs. Sadie Morrow, who with his wife is occupying the Morrow home this winter, spied the fire from across the street and immediately summoned the fire department. Understand Basil Kehoe called for help and quick action on the part of all held damage to a nominal figure.

Mrs. Marguerite Webb wrote from her home in Loomis where she was in bed recuperating from a bad cold. She has been kept busy with her Bible Literature programs and has visited women's clubs in Woodland, Tracy and Roseville this winter. From Rochester, Washington,

came a letter from Mr. and Mrs. Fred White, former custodians at Tahoe Park public camp. They are still living on their wonderful little farm. Gladys writes they've just drilled a well and put down irrigation pipe and bought a tractor but are still waiting for the new barn they want to build.

The list of local skiers with broken bones continues to grow. To mention a few, Doug Ross, Cal-Neva manager, broke a collarbone while skiing last week; Diane Pearson, broken arm; Lee Madden, driver of the Tahoe Lake School bus, broke a leg; Billie Boorman of the peninsula, who came up for the Lake Tahoe Ski Club meet fell and broke a wrist. Hear that Donnie Stark, who had his bad luck at Yosemite during the recent visit there with the competing Tahoe team.

Newsman Tells His Own Success Story

Throughout the years there have been numerous success stories of how this man or that man started from nothing and finally achieved prosperity. But the best of all success stories is where a man in a run-down condition finally gets to where he feels wonderful again. William Bogard, newspaper reporter in Sulphur Springs, Texas, has such a story to tell. Yes, now that Mr. Bogard is taking HADACOL.

Wm. Bogard, ACOL, he says, "I wish I could tell my story to every man and woman in the country who is now suffering as I was suffering." Mr. Bogard was suffering a deficiency of Vitamins B, B₁₂, Niacin and Iron, which HADACOL contains.

Here is Mr. Bogard's own statement telling how HADACOL helped him:

"Two years ago, at age 40, I was convinced that nothing remained for me in life. The most encouraging words I ever heard were: 'Maybe you will get straightened out after a while.' The only thing that really mattered to me was how I felt and the fact that my apparent decline had brought my many dreams and aspirations in total ruins before my feet.

"I heard and read many stories and testimonials concerning HADACOL, but, unfortunately for me, I didn't take any of them seriously. I considered these testimonials to be from fictitious people with imaginary ills who talked solely for money. How wrong I was! In spite of my wariness, I decided to give HADACOL a try. I took great care that no one knew I was taking it because I feared their ridicule.

"I took three bottles of HADACOL before I began to feel its effects. After that, my progress was steady and sure. My appetite picked up. I not only ate at meal time, which I had not been doing before, but I enjoyed in-between-meal snacks of delicacies which I had long since forgotten.

"I wish I could tell my story to every man and woman in the country who is suffering as I was suffering. I wish I could let them know and make them believe that what I say is all truth and none fiction."

Remember HADACOL is sold on a strict money-back guarantee. And so inexpensive. Trial-size bottle only \$1.25. Large family or hospital size, \$3.50. If your druggist does not have HADACOL, order direct from The LeBlanc Corporation, Lafayette, La. © 1951, The LeBlanc Corporation

broke his leg in four places, with two spiral and two clean breaks. There have been others, but we don't have their names at this writing. On the more pleasant side, Dick Carnell now has had the cast removed from his foot,

and the doctor has at last informed Terry Tollefson, who has had such a long and costly siege with his broken leg, that he may again take to skis any time he so desires.
Folks down Tahoe Park way who are joined each summer by Mr. and Mrs. Albert Stevenson

and Mrs. Ethel Severson and son Corky will be happy to learn that Corky has recovered without ill effects from a siege of scarlet fever. He and his mom were

all set to fly to Houston last week to join the Stevensons when Corky took sick and Mrs. Severson came down with virus flu. The Stevensons spent a month in

Houston and New Orleans, taking in the famous Mardi Gras celebration.

Will ring off for the week and trust this finds you all right in the pink. As ever, Swanee.

Eight little puppies about a month old are in need of good homes. No charge for these cute part toy collie, part shepherd pets. There are five males, three females. Interested? Call Brockway 3RB.

Everette and Virginia Mason of Silver Sands with their two sons have moved to Sacramento where Everette has employment.

Mrs. Eva Mason spent last weekend at Lake Tahoe.

The Dick Laverys spent several days last week in Sacramento returning on Sunday and giving Kenneth a belated birthday party Monday evening. Those present to help Kenneth have a good time were Sharon and Nolan Little, Walter Hapgood, Janice and Jay Mandeville, Dick Rood, Jack Van Hooser, Keren Decker, Dennis Ludlow, Dave Ashton and Jimmy Crawford.

Walter Hapgood's parents were up from Palo Alto over last weekend bringing his two little brothers to visit him in the Abbott home.

Mr. and Mrs. Eddie O'Haggerty of Jones' Cottages were in Los Angeles last week.

Mrs. Redding was up from Cathedral City last week. Mignon and Ray Gallop returned with her to the desert Sunday and Ray expects to be employed there.

Dick Boyce left early Tuesday morning for San Francisco on business that will require his being gone a couple of days.

Mrs. Durwood Ford was sick with a cold upon her return from that visit in Los Angeles and is still ailing.

Brockway Rotary ladies night party at Cal-Vada Monday night was a huge success with 103 there for dinner.

That combination Valentine party and complete surprise shower for Mae Critchley, who walks gleefully on pink and blue clouds these days, was given at the Carpenters' Hall by the Tahoe Twirlers last Friday night with all members present. On the decoration committee were Steve and Lillian Port, Sophia and John Levrá, and Vera Wood. The decor was entirely Valentine and most outstanding. The refreshment committee did a beautiful job too. Fritz and Roy Porath, Virginia McCoy and Margaret Record were all on that very active bit of work. Ruth and Bill Misner donated and prepared the turkey. Other members brought various dishes that went well with the main dish.

A farewell party was given for Ed and Virginia McCoy by the Tahoe Twirlers Tuesday night before the McCoy's departure for Missouri on Wednesday. The McCoy's had operated the Home Cafe for some time until last week.

Roy Porath reports finding prices a lot higher upon return from his recent trip to the bay area to purchase merchandise for his Kings Beach store. Fritz's sister, Audrey Bricker, with her two children, Donnie and Dale, came back with Roy. Mr. Bricker came up the following day for a weekend visit with the Poraths.

Hunting and Fishing

It has been estimated Californians who fish and hunt spend a total of about \$250,000,000 annually in pursuit of these sports.

How to make good telephone service even better....

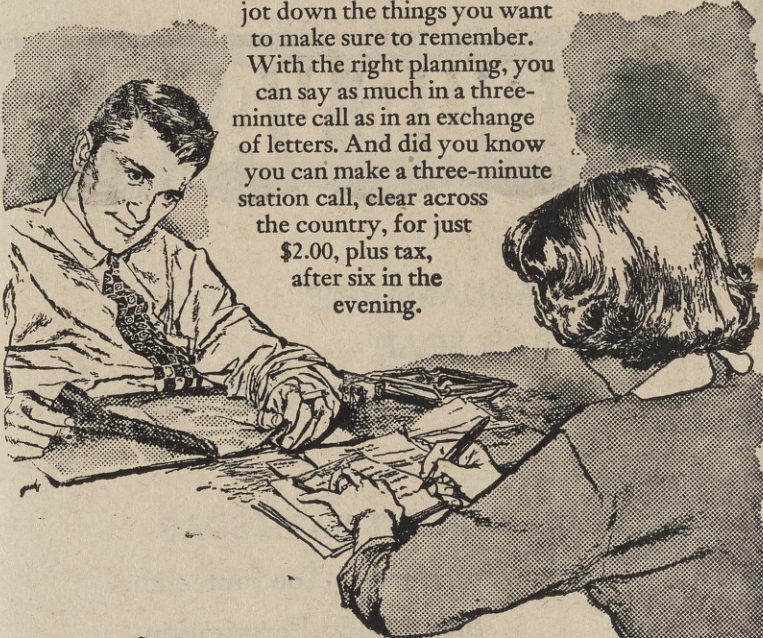

Give 'em time to answer

How many times have you answered the telephone just as someone hangs up? You know it's not always possible to get to the telephone the moment it rings. So best way to make sure you get the person you're calling is to give him a full minute to answer.

Good way to stretch your telephone dollar

When you make a Long Distance call, you can get the most for your money if, ahead of time, you make notes of the things you want to talk about. Then, during your call, jot down the things you want to make sure to remember.

With the right planning, you can say as much in a three-minute call as in an exchange of letters. And did you know you can make a three-minute station call, clear across the country, for just \$2.00, plus tax, after six in the evening.

When you take the kinks out

of your telephone cord, you help protect your own service. For too many twists may break some of the tiny wires in the cord, causing you to hear a "frying" noise. Let the receiver unwind by itself... then keep the curls out by remembering not to put a turn in the cord as you handle the receiver.

SUMMIT SCENE

Elmo Moriano of Beacon Hill Lodge after the gruelling marathon. Housing committee is headed by Jergen (Red) Vind of Ski Inn while Glenn Parsons of Trail-syde and Nordstrum seek the 21 trophies that are given for this event, which is gaining national publicity.

Life magazine photographers invaded the hill last week with Travis Air Base Lodge and Beacon Hill getting the breaks. Pictures taken of the airmen's lodge with all our area's pretty ones drafted for the benefit of the lensmen. The gals danced with the boys recuperating from Korean experiences for a "Life goes to a party" deal.

The S.F. Emporium's Big E show (Donner Summit jack pot night) was a huge success. Several hundred people crowded the auditorium for the hundreds of dollars worth of prizes given away. These included whole week American plan vacations for two, free ski lessons, free tow rides, free dorm space, skis, poles, after ski boots, mittens, caps, gas, chain service, parking in heated garages, grocery orders, etc.

Jack Woodward of Ski Ranch wheels around in his invalid chair as he recuperates from a recent bad ankle break. Jack isn't discouraged as wheels himself about and his wife, Pat, puts her shoulder to the wheel as she helps him while he is incapacitated.

Milt and Maggie Avila journey up every weekend from the bay region to help; Milt in his ski shop and on the hill; Maggie in the lodge, cafeteria or wherever she is needed.

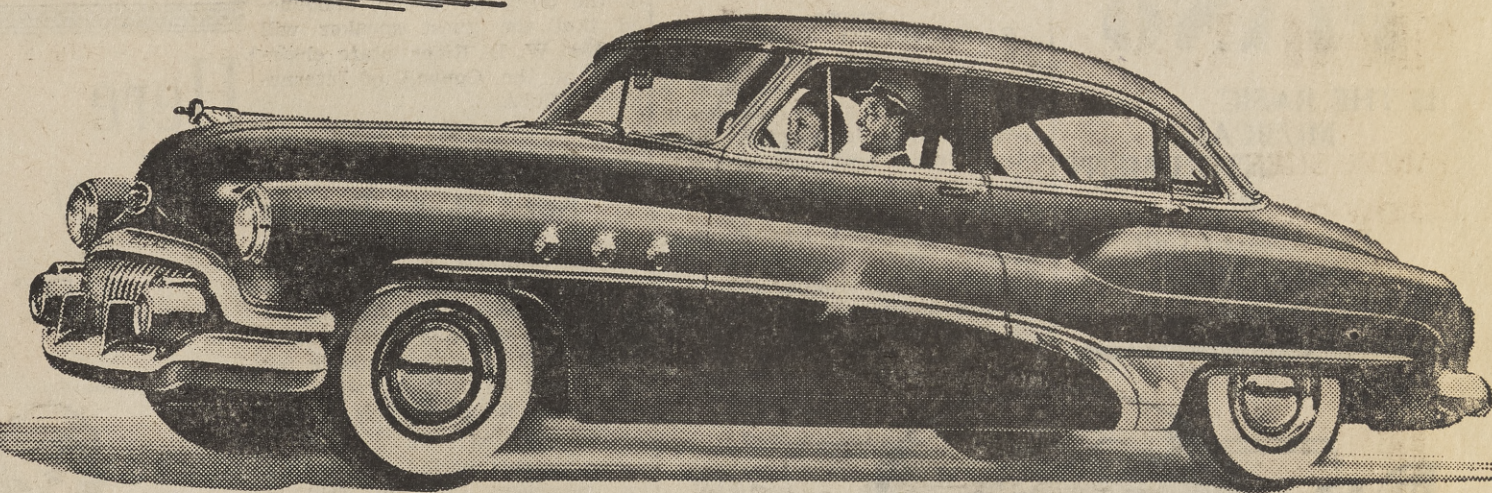

Bob Kimmerling's and Bob Mori's edifice at Soda Springs grows day by day. One thing we do hear from everyone who has visited the structure, it's supposed to have the biggest, most magnificent, ornamental as well as useful fireplace ever seen in these parts.

Alpine Skier Praises Summit Slopes

Walter Kienzi of the Viking Ski Club of San Francisco topped the men's Class C event in the giant slalom championships of district 5 of the Far West Ski Association February 4 at Donner Ski Ranch. He negotiated the fast, tricky course in a raging blizzard in 1:40.0.

Kienzi has been a member of the Vikings since last October. Born in Zurich, Switzerland, he has skied the Alps where he competed in downhill and slalom. Two and a half years ago, he came to the United States where he resided in Washington, D.C., but the hills were too small so he came to California for some mountain skiing. Kienzi wants to be quoted as saying, "I love skiing, and especially skiing around the Donner Summit area!"

FIREBALL POWERED

Want more THRILL per dollar?

WHAT are the things you hope some day to have in an automobile?

Is it power that rises to every challenge?

Is it the satisfied feeling of being a very important person there at the wheel?

Is it day-long comfort and ample dimensions that make every trip a pleasure?

Is it the durable goodness of sound construction—the sturdy strength that will outlast the years?

Well, sir, the time has come for you to take to heart these three words of sensible advice—"SMART BUY'S BUICK."

Every Buick has Fireball power—an exclusive combustion principle that makes each drop of fuel do extra duty.

Standard equipment, accessories, trim and models are subject to change without notice.

No other car provides all this:

DYNAFLOW DRIVE—saves strain on driver and car

FIREBALL POWER—high-compression, valve-in-head engine gets more good from every drop of fuel

PUSH-BAR FOREFRONT—combines smart style and unsurpassed protection

WHITE-GLOW INSTRUMENTS—greater clarity at night

TORQUE-TUBE DRIVE—steadies ride, improves driving control

4-WHEEL COIL SPRINGING—cushions ride, saves servicing costs

DUAL VENTILATION—outside air fed separately to right or left of front compartment

SELF-ENERGIZING BRAKES—hydraulic—multiply pedal-pressure five times at brake drum

DREAMLINE STYLING—tapered, car-length fenders, gleaming sweep-spears on most models

Plus: Self-locking luggage lid, Step-On parking brake, two-way ignition lock, Safety-Ride rims, Hi-Poised engine mounting, Body by Fisher

"Would breaking up big oil companies affect national defense?"

Mrs. Marie-Louise Auer, Pasadena housewife, writes: It seems to me like a bad time to be tampering with our industries, as the antitrust lawyers want to do. Or does it matter? Would breaking up big oil companies affect national defense?

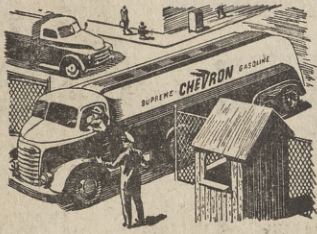

Mrs. Marie-Louise Auer

Here at Standard, one of the seven Western oil companies under attack, we see clear public benefit in having big com-

panies in the business at all times. We believe we serve you well. But let's consider now just "bigness" and defense:

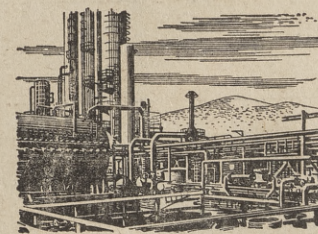

Today, military needs come first. Just recently, need for aviation gasoline jumped 275% in the West alone. Big oil companies supplied it.

Next: industry's demands. You know how industrial output keyed U.S. strength in World War II. It takes big companies to meet big needs.

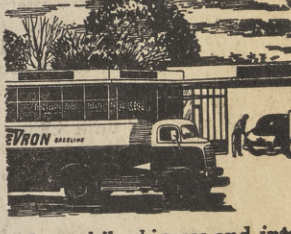

Company bigness also means big-scale research, improved products. Example: oils developed by Standard which tripled range of U.S. subs.

For hard jobs, the U.S. uses our bigness and integration. Today, our U.S. projects include atomic research and a synthetic rubber plant.

Our taxes also aid defense. As one big company, we paid over \$95,000,000 last year, more than we would pay as several smaller companies.

Meanwhile, bigness and integration enable us to keep on supplying products you need. Isn't this what you want from your oil company?

Intercept Plant Pests At Local "Bug" Station

SACRAMENTO (CNS)— Inspectors manning border plant quarantine stations examined a total of 174,692 motor vehicles in January and intercepted 1,928 lots of insect pests dangerous to the state's great agricultural industry.

A total of 253 lots of plant material was examined at the Truckee border station, chief entry into northern California, and 171 pests were removed.

Truckee Club Women Invited to Convention

Officers and members of the Wyethia Women's Club have been invited to attend the tri-county convention February 26 to be held in the Loomis Women's Club house at 10 a.m. with a nominal charge for luncheon.

Reservations are to be made with Mrs. Warren Boller of Loomis not later than February 23.

Mrs. Lois B. Niegel, president of the tri-county group, announced that the guest speaker will be Mrs. W. B. Rider, state chairman of the Council of International Clubs.

Ciardella Completes Navy "Boot" Training

H. J. Ciardella Jr., seaman apprentice, USN, of Truckee recently completed recruit training at the Naval Training Center, San Diego, and is now available for assignment to a fleet unit or to one of the Navy's schools of specialized training.

During this period of training, he underwent intensive drill in such subjects as signaling, navigation, basic ordnance and seamanship. He also was indoctrinated into the ways of the Navy and learned the customs of the service.

Tarzan

by EDGAR RICE BURROUGHS

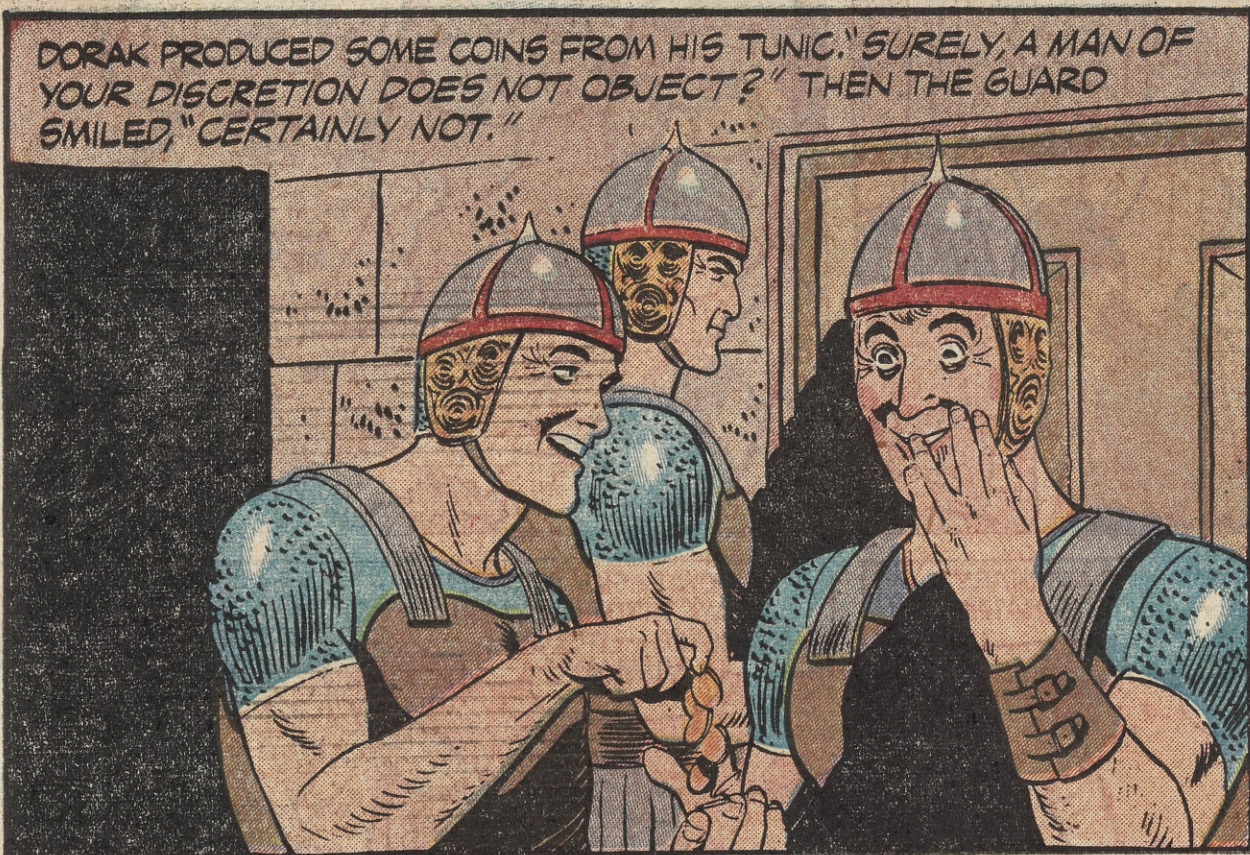

AFTER DISPOSING OF THE TWO WARRIORS, TARZAN
AND DORAK DISGUISED THEMSELVES AND WALKED UN-
RECOGNIZED TO THE QUARRY ENTRANCE.

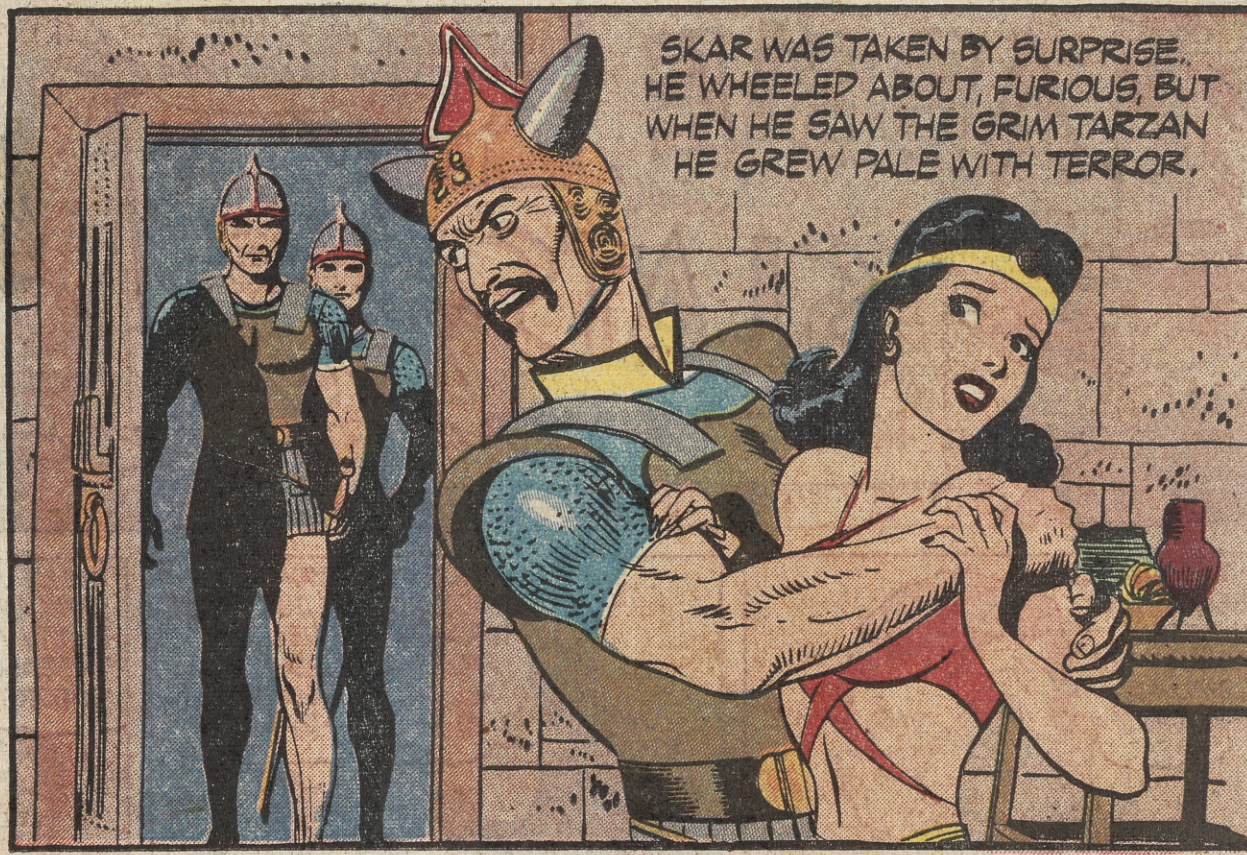

"WE HAVE A MESSAGE FOR SKAR," DORAK ADDRESSED A GUARD. "WHERE ARE HIS QUARTERS?" THE UNSUSPICIOUS WARRIOR READILY COMPLIED.

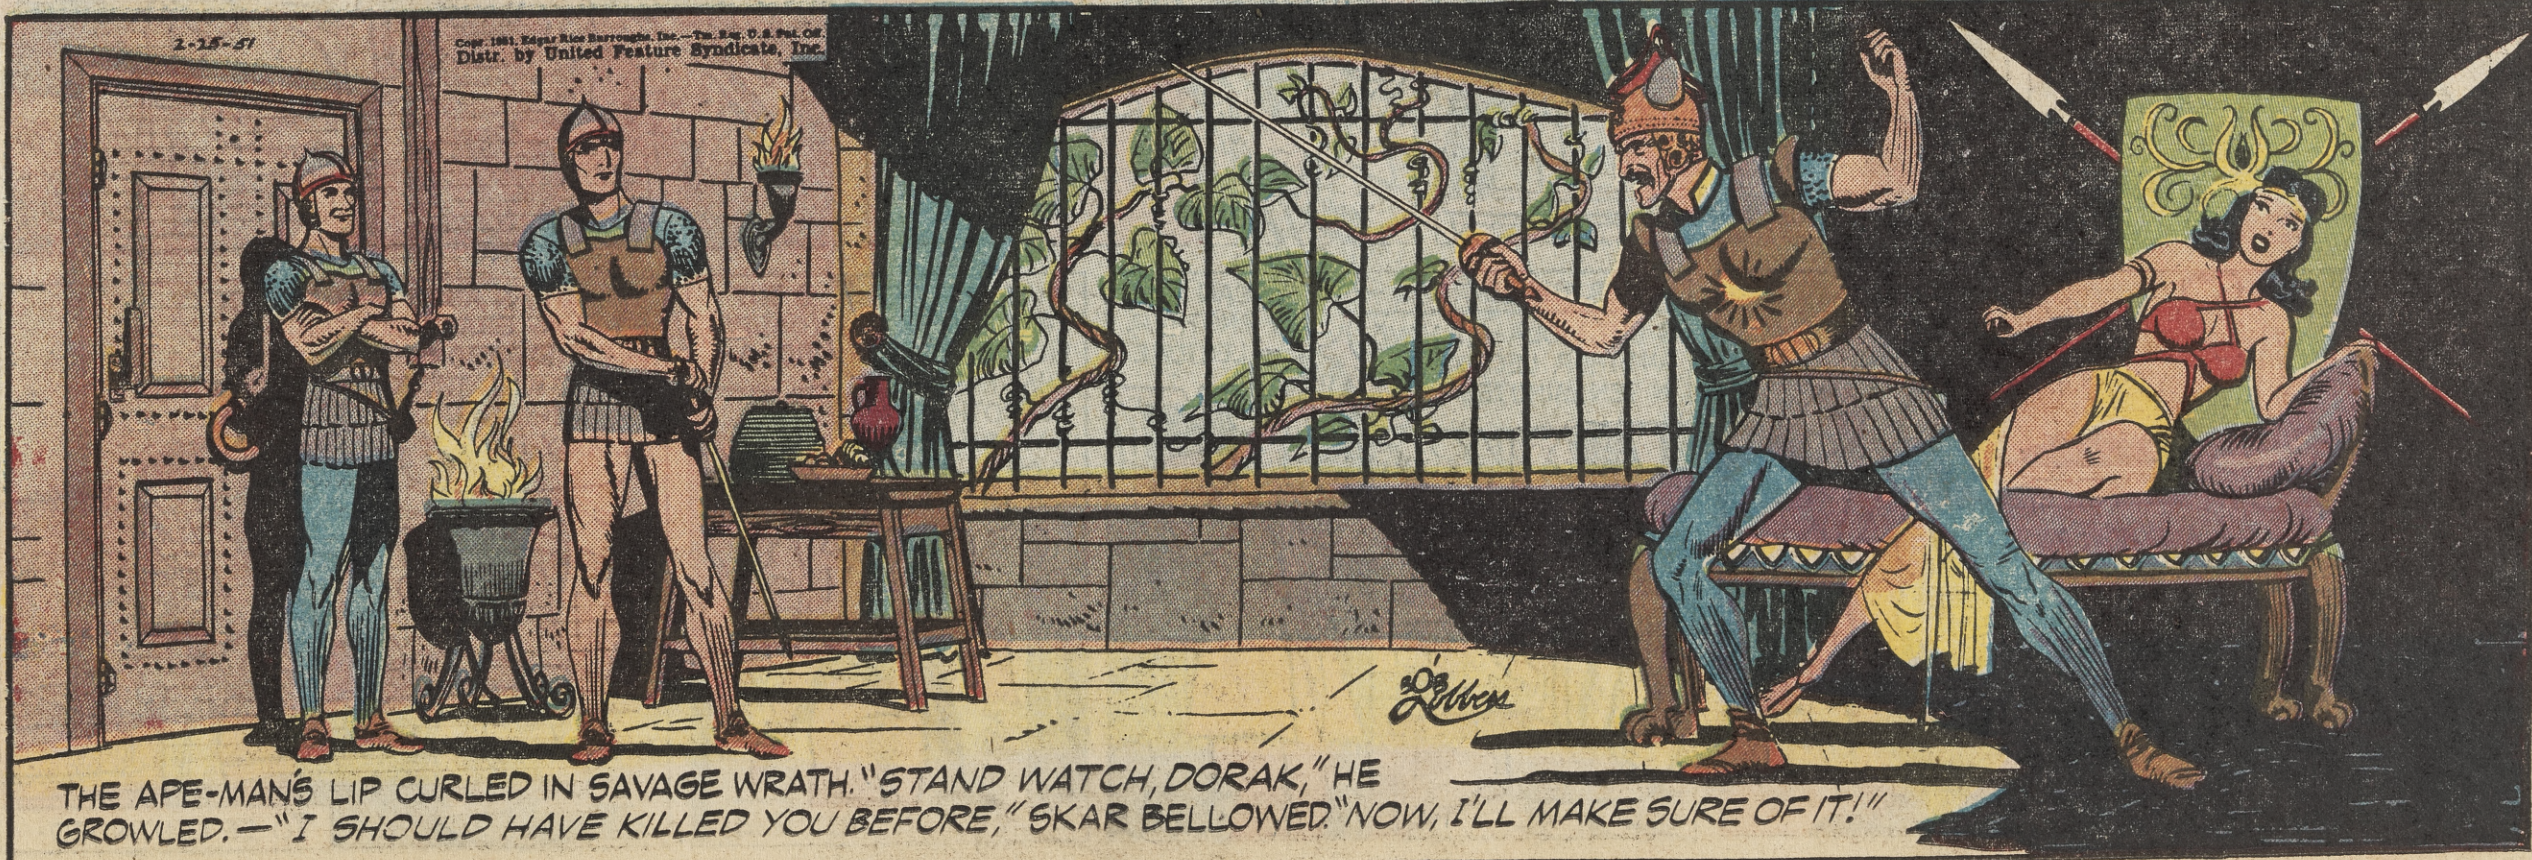

FOLLOWING INSTRUCTIONS, THEY APPROACHED THE QUARRY MASTER'S ROOM. "OPEN!" COMMANDED DORAK. "WE HAVE BUSINESS WITH SKAR!" BUT THE SENTRY HESITATED.

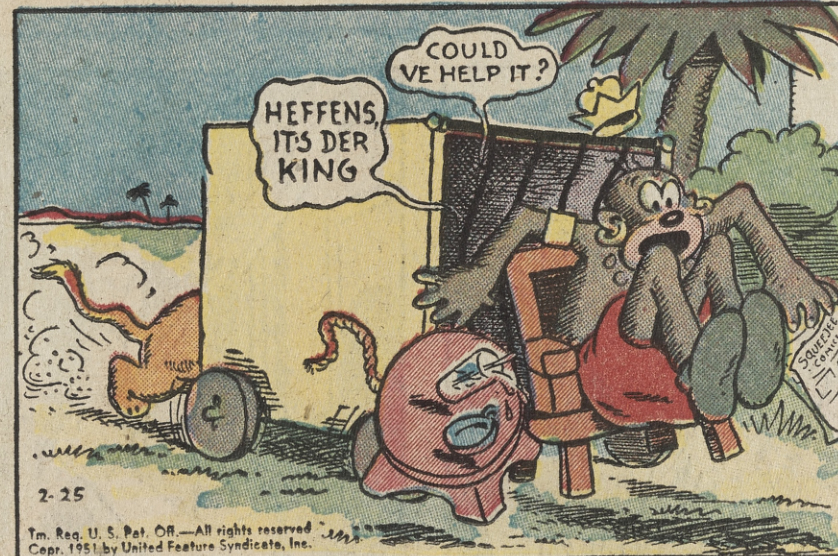

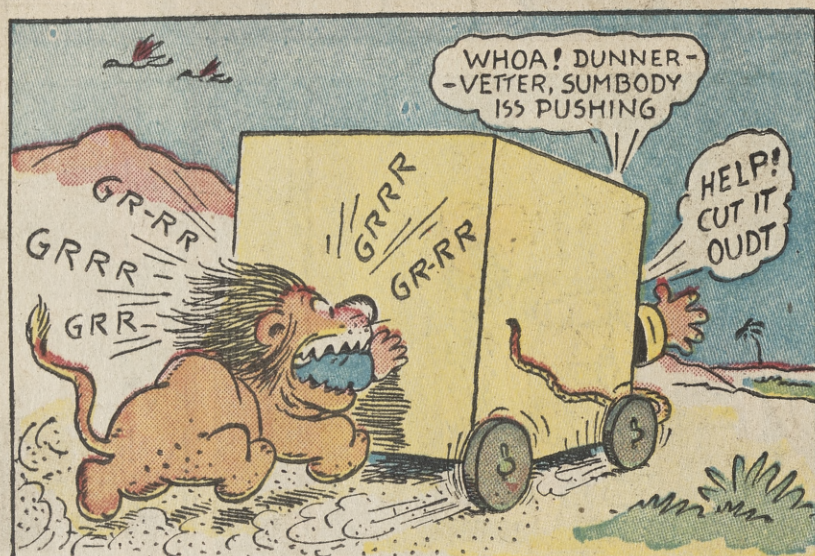

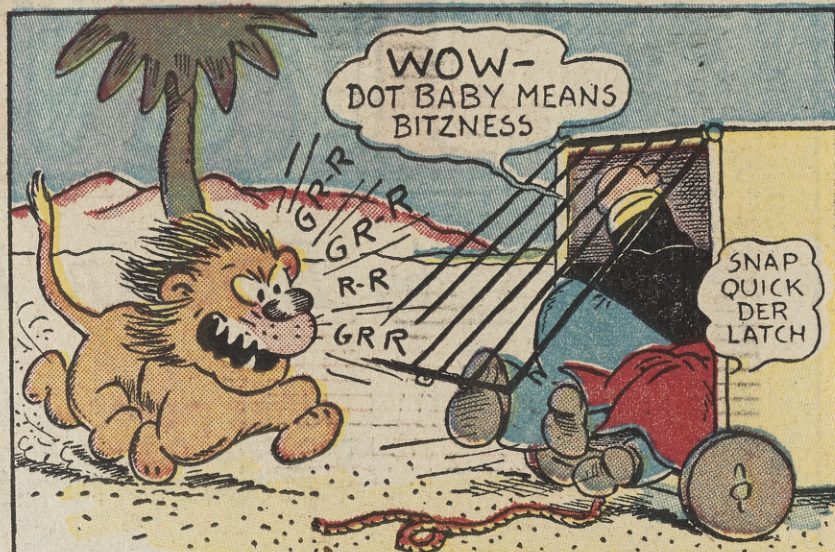

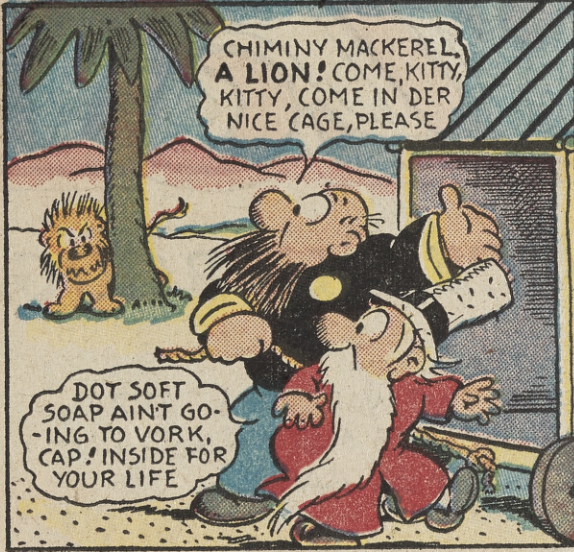

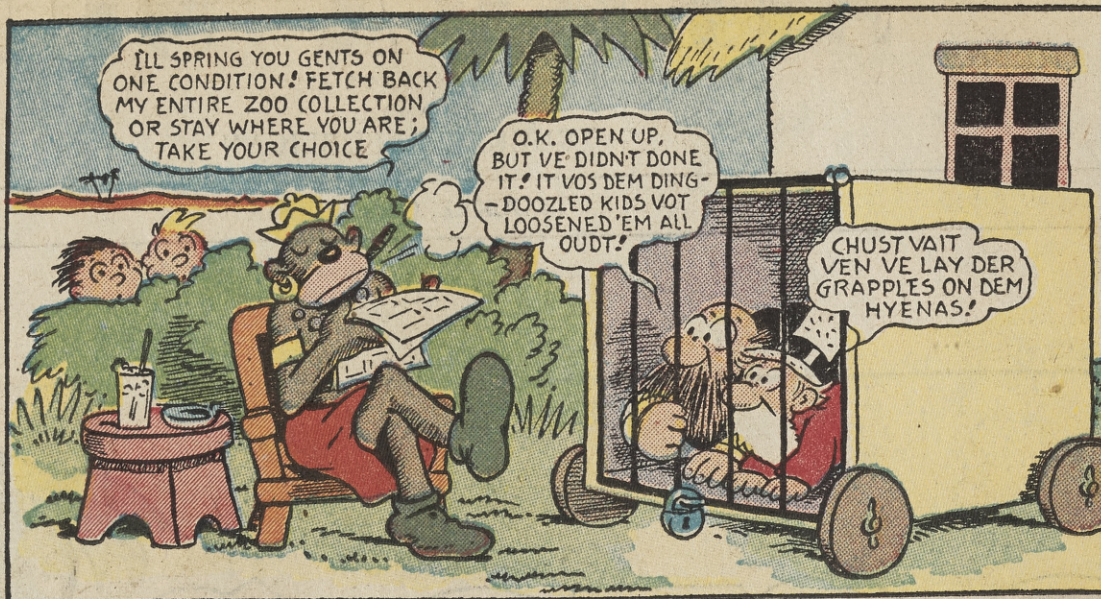

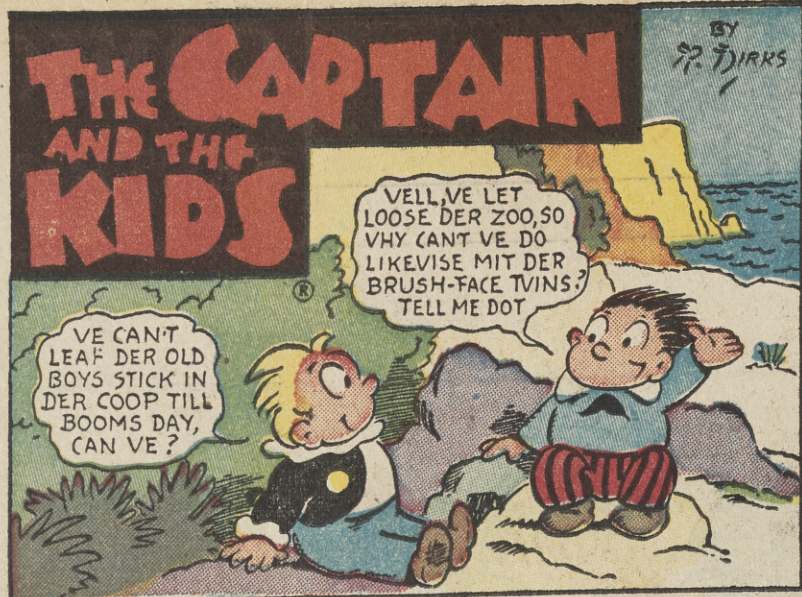

DORAK PRODUCED SOME COINS FROM HIS TUNIC. "SURELY, A MAN OF YOUR DISCRETION DOES NOT OBJECT?" THEN THE GUARD SMILED, "CERTAINLY NOT."

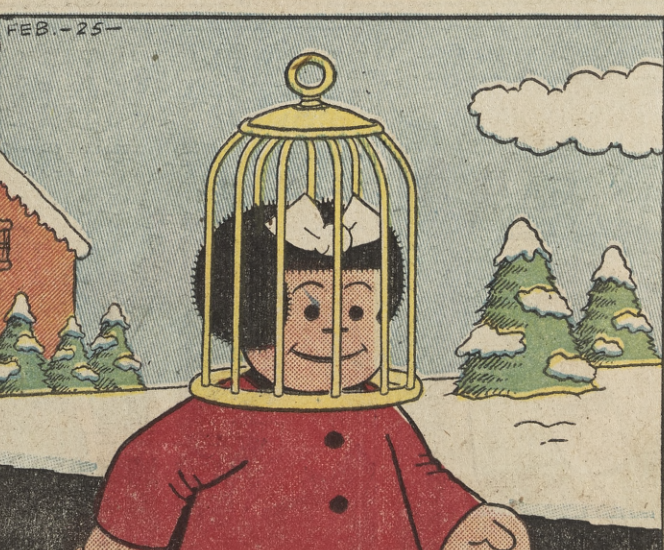

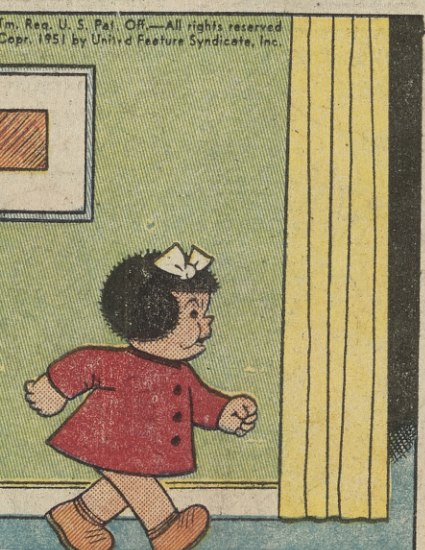

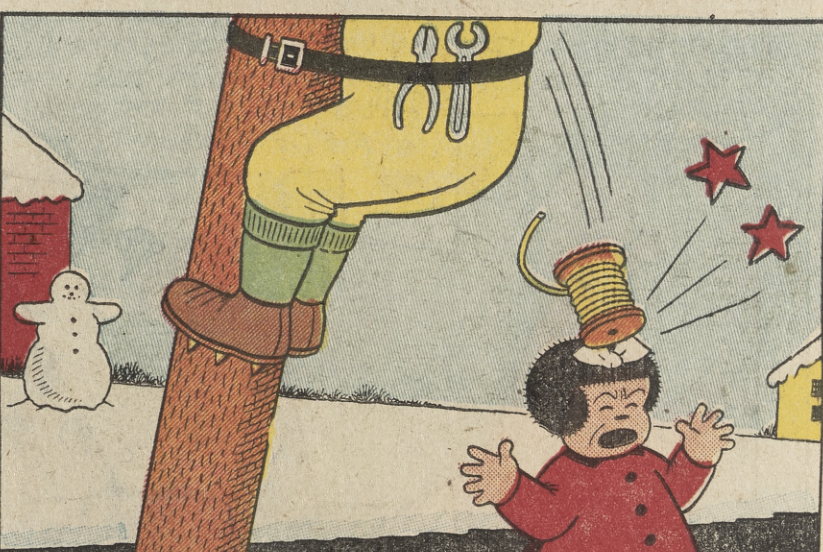

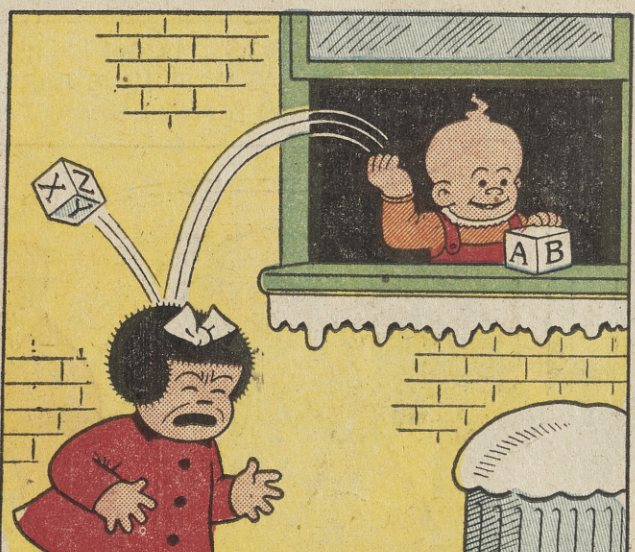

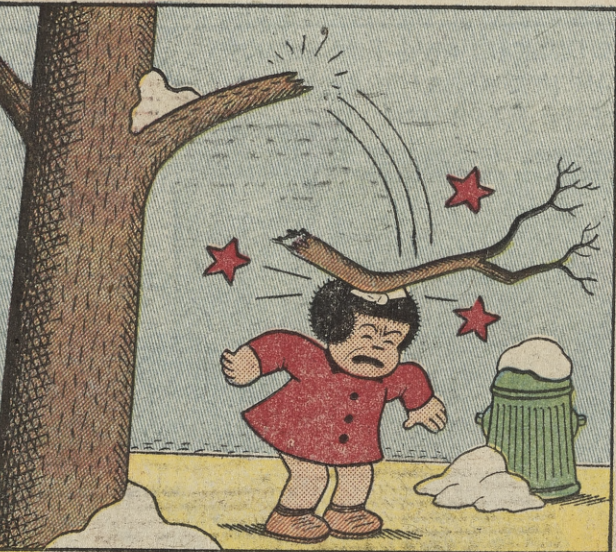

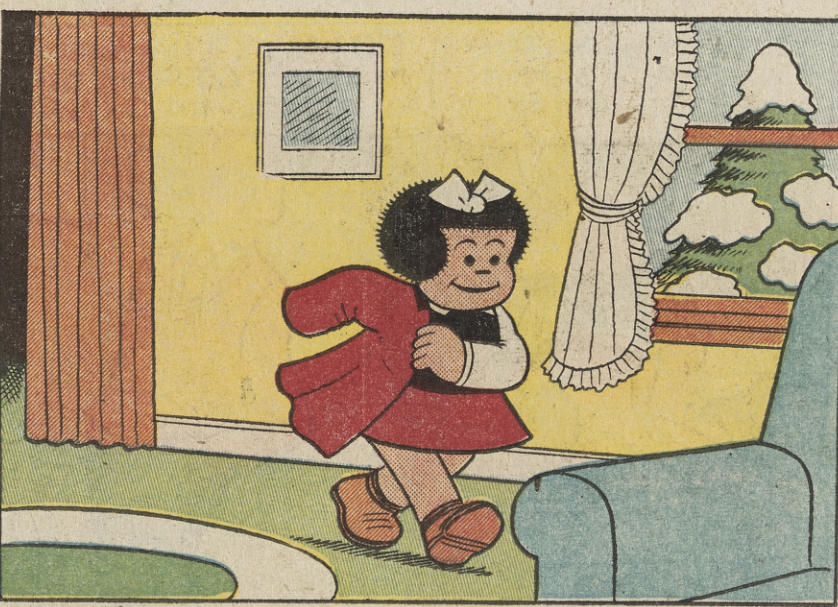

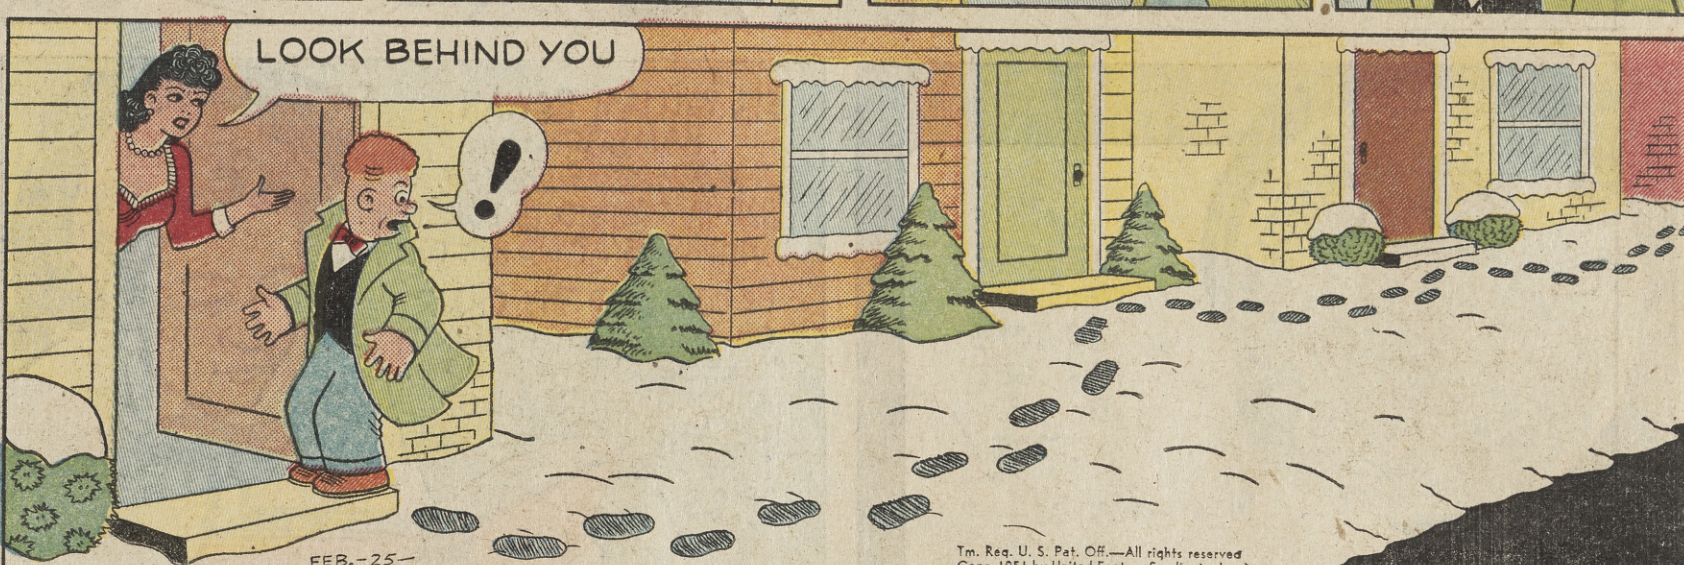

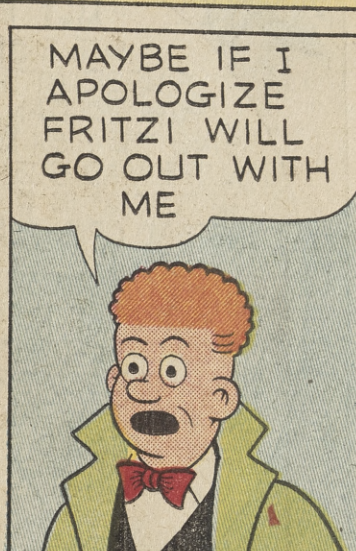

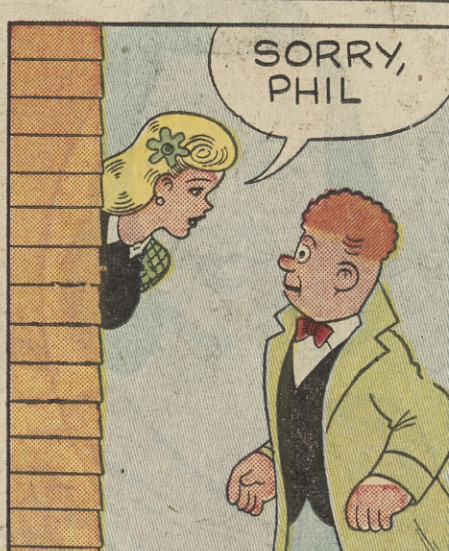

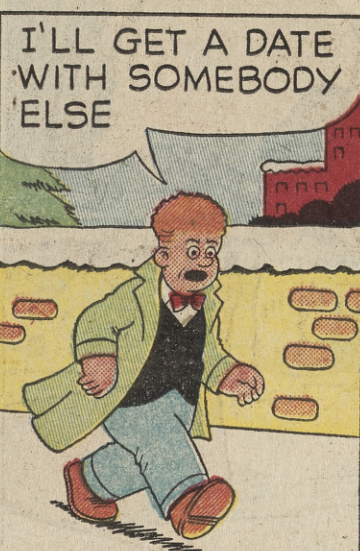

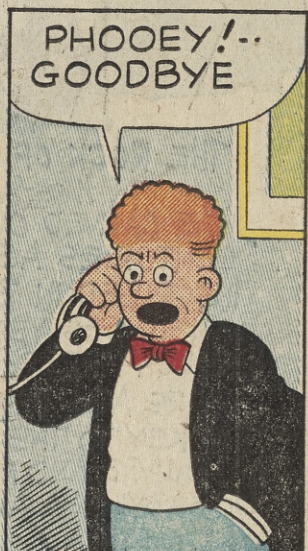

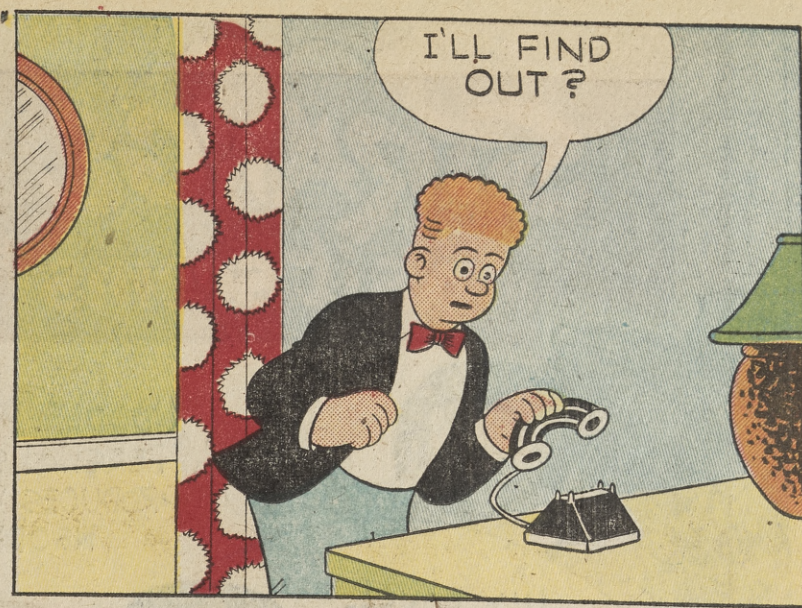

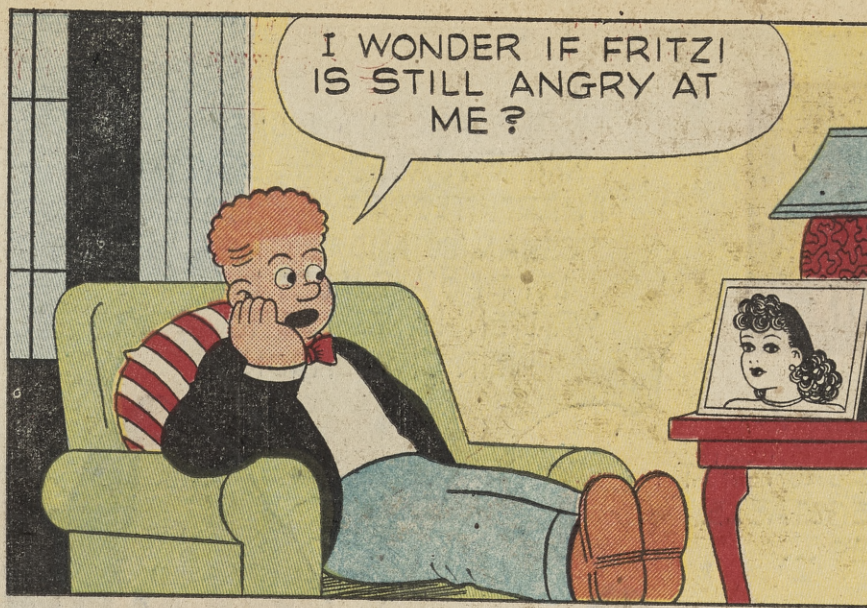

SKAR WAS TAKEN BY SURPRISE. HE WHEELED ABOUT, FURIOUS, BUT WHEN HE SAW THE GRIM TARZAN HE GREW PALE WITH TERROR.

THE APE-MAN'S LIP CURLED IN SAVAGE WRATH. "STAND WATCH, DORAK," HE GROWLED. — "I SHOULD HAVE KILLED YOU BEFORE," SKAR BELLOWED. "NOW, I'LL MAKE SURE OF IT!"
